High School Diplomas-Regular	118	* Certificates of Completion issued at a district level	
Other Completions*	0	** Limited English Speaking (LEP)	

Superintendent's Highlights

The Weiser School District continues the initiative to focus on curriculum and assessments by developing teacher made assessments in the core subjects. For the 1999-2000 school year the District curriculum class will focus on alignment of the Weiser curriculum to State Exit Standards, analysis and reporting of assessment results, development of comprehensive assessments in the core subjects, and development of teacher skills to translate standards into classroom teaching objectives and strategies. The District continues to follow the Weiser School Improvement Plan which guides our early reading readiness and skill building programs: Reading Readiness for all children in the District from birth to school age; reading and math summer schools for pre-kindergarten through the sixth grade; Waterford Reading for kindergarten; the Accelerated Reader program for kindergarten through the sixth grade; and the backbone of our K-5 classroom instruction, the Success for All Reading program. Weiser High School conducts a summer school for students in grades 7-12 who are behind in credits or wanting to get ahead. The District is one of the BSU Distance Learning classroom sites providing college classes and dual enrollment for high school students and enrichment classes for staff and community. All elementary classrooms have four networked

Progress Towards Meeting District Goals

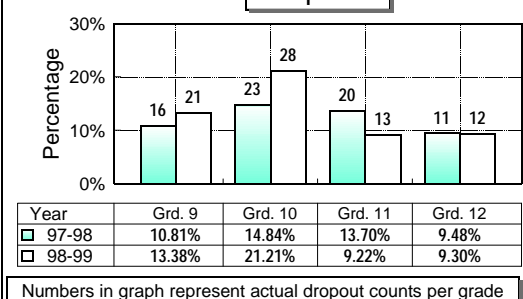

1998-99 Goals	Progress
Educational experience will be appropriate to the student's skill level and ability.	Progress toward meeting goals is outlined in Superintendent's Highlights
Respect for learning, learners, and the learning environment will be promoted.	
School based decision making is supported.	
A sequential curriculum for organized instruction and assessment will be developed implemented.	
Parents will be involved in educating their children.
